

The Context of the New Testament

Application Exercise

Read Galatians 1:11-24.

Knowing what you now know about the situation of Galatians, why is it important for Paul to say what he does in this passage?

Read Galatians 3 carefully.

Why does Paul focus on the receiving of the Holy Spirit in vv. 1-6?

Why is what Paul says in vv. 7-9 so important in the context of what the Galatians are dealing with?

Why does Paul focus on the singularity or plurality of the word "offspring(s)" in vv. 16-18?

Read Galatians 5:1 and 5:16-24

By knowing what Paul is calling them to walk away from, how can you better apply this to your life?
